PAUL MITOVICH
ORDERED TO CARE
OF RELATIVES

SANITY COMMISSION DECIDES
THAT MINER IS NOT IN HIS
RIGHT MIND

Paul Mitovich, 27 years old, a Montenegrin miner, paroled in July from the state mental asylum, who was again taken into custody yesterday morning upon the complaint of Judge Mark Averill, of the district court, was given a hearing before Judge Peter J. Somers of the Esmeralda county district court, at the courthouse last night. At the conclusion of the examination, Mitovich was given the choice of being recommitted to the asylum or returning in three days to his relatives in Amador county, Cal., in whose charge he was released from the institution in July. He chose the latter and will leave tomorrow morning.

Drs. Cunningham and Richards assisted in the examination of Mitovich, who labors under the impression that he is the victim of persecution. The physicians expressed the opinion that Mitovich is mentally unbalanced but that a stay with his relatives would probably cure him. Among the witnesses against Mitovich examined were Postmaster Stewart, Judge Averill and Deputy Sheriffs Deegan and Walker. A search of Mitovich's effects revealed two revolvers and a dirk. When taken into custody last spring Mitovich had two revolvers in his possession at that time.

AMUSEMENTS

Butler Theater

At the Butler theater this evening the usual new program of pictures will be shown as follows: "The Understudy," a thoroughly pleasing comedy drama, wonderfully original in brilliant plot and telling how a pretty country girl saved a Broadway show from utter ruin on the opening night; "With the Enemy's Help," a Biograph drama, a good western picture; "The Ranger's Reward," a Lubin picture depicting scenes on the Mexican border, and a big Vitagraph comedy entitled, "The Lovesick Maidens of Cuddleton." An old doctor whose practice is on the wane employs a handsome young physician to assist him and take charge of his patients. His business immediately booms and every maiden gets lovesick and consults the new doctor. His wife, whom he has not told about, comes to town. She doesn't let on she is married. All the marriageable men think she is the young doctor's sister. They all become patients too, and the doctor does a land office business. Friday next Pathe's two-reel feature, "Don Juan and King Charles V."

GYPSY QUEEN
LEDGE IS THREE
FEET IN WIDTH

DRIFT WILL BE STARTED ON
LEDGE TO CONNECT WITH
WINZE FROM 400

The north crosscut on the 600-foot level of the Gypsy Queen mine has proven the ledge encountered Monday afternoon at a point about 125 feet from the shaft to be about three feet in width. Assays made show the vein to assay from \$2 to \$4 a ton.

Superintendent George Murphy stated this morning that he will immediately start drifting on the ledge toward the southeast to get under the winze on the 400-foot level which was sunk to a depth of 40 feet, showing the ore to be four feet wide and assaying from \$3 to \$14 a ton. The proposed drift will be continued to the boundary line of the North Star, a distance of about 300 feet from the point at which the vein was encountered.

CENTRAL MARKET

---how much
Is A "Regular Customer"
Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!
